Total project price:		¥ 358, 530. 00			Payment method:				
Serial Number	model	Product Images	Technical parameters	unit	quantity	Unit price: Yuan (RMB)	total	Remark	
1	LED point light source		Product Dimensions: Φ35*H15mm Control IC: DMX512 Dot Pitch: 125MM Operating Voltage: DC24V Grayscale Level: 256 Light Source Color: RGB Rated Power: 1.2W Beam Angle: 120° Protection Rating: IP66	PCS	45120	¥ 4.90	¥ 221,088.00	1.8-meter light, 5-meter string	
2	Aluminum profiles		L1000×W50×H25mm (painted in the same color as the curtain wall)	meter	5640	¥ 16.80	¥ 94,752.00		
3	Rainproof switching power supply		Voltage range: AC90-240V Output voltage: DC24V Power: 400W Waterproof rating: IP54	PCS	180	¥ 95.00	¥ 17,100.00		
4	Main controller		Requires a dedicated controller. Each unit can control up to 150,000 pixels. Supports Ethernet interface and TCP/IP/UDP data communication protocols. Supports parallel switch configurations: reduces system cascading chain length and improves stability. Supports synchronous control of multiple GPS satellites/BTS wireless base stations. Control frame rate up to 60 frames/second, supports 65,536 levels of grayscale lighting control. Supports standard DMX512 protocol and extended DMX512 protocol. Supports automatic, timed, and holiday preset effect playback. Storage media: SD card ≤32G.	PCS	1	¥ 4,800.00	¥ 4,800.00		
5	Distributor		Output channels: Each port can support a maximum of 512 (DMX) / 1024 (TTL) pixels; Control pixels: 8 x 512 pixels; Communication ports: Gigabit Ethernet ports x2; Online playback: Supported;	PCS	16	¥ 1,200.00	¥ 19,200.00		
6	Straight			PCS	120	¥ 8.00	¥ 960.00		
7	female connector		Signal transmission between the control panel and the lighting fixtures	PCS	180	¥ 3.50	¥ 630.00		

	Total RMB						¥ 358,530.00	
	Signature		date		The above prices do not include taxes and shipping. The actual quantity will be determined on-site. Two-year warranty.
